## Principal's Message

**MR. UTTAM KUMAR**  
PRINCIPAL  
KV BALLYGUNGE

*Education coerces us to delve deep into the ocean of information, raw and unprocessed, to glean it to a heap of knowledge, still susceptible to subjective interpretation of conflicting interests, and to get it rechristened into the realm of wisdom in a given cultural settings. In the silhouette of present global cultural dilemma wherein our running generation are groping, education has to play its role to rearm them with an ability to choose the right in a given time and space.*

*The uncompromising and unbridled individualism will land us nowhere except throwing us into the arms of corruption, violence and intolerance with "I am always right" attitude. The real education has the potential to let one introspect what the best one can get from and contribute to the society. The realisation of the self-amidst the reliance and trust on the other self is the key to embrace peace and prosperity in the world we live in.*

## HM'S MESSAGE

**MRS. TANUSHREE SARKAR CHATTERJEE**  
HEADMISTRESS  
KV BALLYGUNGE

*"Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time." .....Thomas Edison*

*There is no shortcut ways or methods to achieve success only hard work is the key of success in our lives. So, I hope all our children will do hard work to achieve success and target their goals.*

*It is the perfect time to set a goal and work on our inner strength. I would want our children to aim high and stay focused on what they would want to achieve in the long run.*

*It is essential to imbibe in them the will to work hard and make sincere efforts to achieve success.*

*Even I think it is more essential to imbibe moral values and build a strong character, so that they can be good citizen of our country in future.*

*Last but not the least, all the very best to our wonderful and energetic children, may you all aim for the brightest stars and do well in your studies as well as all other extra-curricular activities.*

*Do take care of your health and stay healthy and safe.*

*Good luck to all the students.*
