Principal's Message

MR. UTTAM KUMAR
PRINCIPAL
PM SHRI KV BALLYGUNGE

Education coerce us to delve deep into the ocean of information, raw and unprocessed, to glean it to a heap of knowledge, still susceptible to subjective interpretation of conflicting interests, and to get it rechristened into the realm of wisdom in a given cultural settings. In the silhouette of present global cultural dilemma wherein our running generation are groping, education has to play its role to rearm them with an ability to choose the right in a given time and space.

The uncompromising and unbridled individualism will land us nowhere except throwing. us into the arms of corruption, violence and intolerance with “I am always right” attitude. The real education has the potential to let one introspect what the best one can get from and contribute to the society. The realisation of the self-amidst the reliance and trust on the other self is the key to embrace peace and prosperity in the world we live in.

Vice Principal's Message

MRS. RANJITA SARKAR
VICE PRINCIPAL
PM SHRI KV BALLYGUNGE

"Excellence is not a destination, it is a journey that never ends."

Putting this Primary Wing Newsletter issue in your hands is truly a source of pride. The young progeny's desire to succeed and allow their creativity to flourish is what drives them to put forth this effort. As the guardians of the future, we provide the soil of opportunity, the water of inspiration and guidance, the air of love and care, and the nutrients of knowledge necessary for the small seeds to grow and spread the aura of peace and prosperity not only around them but across the entire globe.

In light of this paradigm change in education, KV Ballygunge strives to support a child's entire development in addition to academic brilliance. The Vidyalyaya philosophy, which is informed by the unmatched vision and mission of Kendriya Vidyalaya Sangathan, enables children to go beyond the classroom and develop into lifelong learners, inspiring them to pursue excellence.

As the school's Vice Principal, I consider it an honor and a joy to work at a place of learning where every stakeholder is a learner and every day presents a chance for growth and learning. Enlivened by an unwavering determination to achieve, a love of excellence, and unwavering tenacity, every KVian forges ahead, creating unprecedented standards. Every year, we redefine success by carving out a new road driven by higher objectives and incentives. I am confident that with renewed faith and vigour, we will scale loftier heights and set benchmarks that make us all feel proud.

HM'S MESSAGE

MRS. TANUSHREE SARKAR CHATTERJEE
HEADMISTRESS
PM SHRI KV BALLYGUNGE

"Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time."Thomas Edison

There is no shortcut ways or methods to achieve success only hard work is the key of success in our lives. So, I hope all our children will do hard work to achieve success and target their goals.

It is the perfect time to set a goal and work on our inner strength. I would want our children to aim high and stay focused on what they would want to achieve in the long run.

It is essential to imbibe in them the will to work hard and make sincere efforts to achieve success.

Even I think it is more essential to imbibe moral values and build a strong character, so that they can be good citizen of our country in future.

Last but not the least, all the very best to our wonderful and energetic children, may you all aim for the brightest stars and do well in your studies as well as all other extra-curricular activities.

Do take care of your health and stay healthy and safe.

Good luck to all the students.

WITH WARM REGARDS!
