Principal's Welcome

MR. UTTAM KUMAR
PRINCIPAL
PM SHRI KV BALLYGUNGE

Education coerces us to delve deep into the ocean of information, raw and unprocessed, to glean it to a heap of knowledge, still susceptible to subjective interpretation of conflicting interests, and to get it rechristened into the realm of wisdom in a given cultural settings. In the silhouette of present global cultural dilemma wherein our running generation are groping, education has to play its role to rearm them with an ability to choose the right in a given time and space.

The uncompromising and unbridled individualism will land us nowhere except throwing. us into the arms of corruption, violence and intolerance with “I am always right” attitude. The real education has the potential to let one introspect what the best one can get from and contribute to the society. The realisation of the self-amidst the reliance and trust on the other self is the key to embrace peace and prosperity in the world we live in.

MRS. RANJITA SARKAR

VICE PRINCIPAL

PM SHRI KV BALLYGUNGE

SWAN KUMAR

“Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.”Thomas Edison

There is no shortcut ways or methods to achieve success only hard work is the key of success in our lives. So, I hope all our children will do hard work to achieve success and target their goals.

It is the perfect time to set a goal and work on our inner strength. I would want our children to aim high and stay focused on what they would want to achieve in the long run.

It is essential to imbibe in them the will to work hard and make sincere efforts to achieve success.

Even I think it is more essential to imbibe moral values and build a strong character, so that they can be good citizen of our country in future.

Last but not the least, all the very best to our wonderful and energetic children, may you all aim for the brightest stars and do well in your studies as well as all other extra-curricular activities.

Do take care of your health and stay healthy and safe.

HM'S BLESSING

MRS. TANUSHREE SARKAR CHATTERJEE
HEADMISTRESS
PM SHRI KV BALLYGUNGE

“Excellence is not a destination, it is a journey that never ends.”

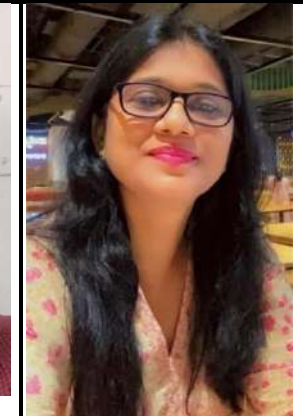

Putting this Primary Wing Newsletter issue in your hands is truly a source of pride. The young progeny's desire to succeed and allow their creativity to flourish is what drives them to put forth this effort. As the guardians of the future, we provide the soil of opportunity, the water of inspiration and guidance, the air of love and care, and the nutrients of knowledge necessary for the small seeds to grow and spread the aura of peace and prosperity not only around them but across the entire globe.

In light of this paradigm change in education, KV Ballygunge strives to support a child's entire development in addition to academic brilliance. The Vidyalaya philosophy, which is informed by the unmatched vision and mission of Kendriya Vidyalaya Sangathan, enables children to go beyond the classroom and develop into lifelong learners, inspiring them to pursue excellence.

As the school's Vice Principal, I consider it an honour and a joy to work at a place of learning where every stakeholder is a learner and every day presents a chance for growth and learning. Enlivened by an unwavering determination to achieve, a love of excellence, and unwavering tenacity, every KVian forges ahead, creating unprecedented standards. Every year, we redefine success by carving out a new road driven by higher objectives and incentives. I am confident that with renewed faith and vigour, we will scale loftier heights and set benchmarks that make us all feel proud.

I hope that today's modest pen leaves a lasting impression on the world stage and brings honours to both our country and Vidyalaya. I pledge to everyone that this Vidyalaya will uphold the high standards of which it is made and work tirelessly to realize the ideal of excellence.

SWACHHATA PAKHWARA CELEBRATION AT VIDYALAYA LEVEL

1ST SEP – 15TH SEP 2024

"स्वच्छता का रखिए ध्यान, स्वच्छता से देश बनेगा महान"

Community Outreach Day was celebrated at Vidyalaya level on 4th-5th September, 2024. All the classes of Primary Wing participated and marched with placards around the locality adjacent to the vidyalaya campus to propagate the theme of Swachhata Pakhwara among the public.

Students are seeking blessings from the Principal, Vice-Principal and HM before going out for the procession.

TEACHERS' DAY CELEBRATION AT OUR VIDYALAYA

(05/09/2024)

This special day was celebrated to honour and appreciate the contributions of teachers to society and education. At our school, the celebration of Teachers' Day is a cherished tradition that brings students, teachers, and staff together to recognize the hard work and dedication of our educators.

The day began with a special assembly where teachers showcased their talents through various performances along with the commemoration of Dr Sarvepalli Radhakrishnan's Birth Anniversary. The program included heartfelt speeches, musical performances by the students that highlighted the

SUBJECT COMMITTEE AND NIPUN MEETING

NIPUN meeting in the end of july held at Primary Computer lab .

NIPUN meeting , in presence of Vice-Principal , in the end of August held at Primary Computer lab .

Subject Committe Meeting

- For the month of july (top left and side left)
- For the month of August (top right)

Venue : Primary Computer Lab .

CPD WORKSHOP AT VIDYALAYA LEVEL

Continuous professional development workshop at vidyalaya level allows teachers to learn new skills and techniques related to teaching-learning process .

As per NCF 2023 , Continuous-Professional Development of a teacher should be under school culture to run a school meticulously . Our School has adopted this culture in the same spirit .

Principal is suggesting some valuable information for the betterment of the teachers' pedagogical practices.

Senior Teachers are giving feedback to the other teachers for their professional development.

Awakening Citizen Program(ACP)

In today's rapidly evolving world, it is essential to cultivate a sense of awareness and responsibility among students. The ACP aims to empower young minds by fostering critical thinking, social awareness and civic engagement.

Students are attending the class with zeal and attention. It encourages students to become informed and active participants in their communities.

Inculcating the values such as - kindness, modesty, honesty, a caring nature etc within kids guides them to a path of righteousness.

FLN ACTIVITIES IN CLASSROOMS BY TINY-TOTS

Little ones are engaged with doing various activities meticulously and achieving their holistic development.

“Educating minds, shaping futures”.
Students took active participation in these activities.

Experiential Learning – Where Classes go beyond four walls

“ A Classroom is where dreams take flight – So , embrace the chaos ,it’s the beauty of learning.”

Here learning takes place through experience – “ Learning through reflection on doing”.
